

SecParis Meetup

SECOND EDITION

February 23, 2017

PROUDLY HOSTED BY DASHLANE

Thanks!

VARIOUS STUFFZ

- Event full for two weeks... don't hesitate to leave your seat to somebody else if you know you won't make it
- Is the +1 system fair?
- I'm waiting for your submissions!
 - 10-30 minutes slots
 - Workshops / rumps / acrobatic juggling...
 - Perfect way to train for bigger conferences
 - Publish subjects ideas?

VARIOUS STUFFZ

- 137 members in the community
- 32 newcomers, aloha everybody (ok, nearly)
- Helping without talking:
 - Create a real logo (please halp)
 - Website improvements
 - Review / translate submissions
 - Any interest in "community features"?
 - Share it!
- Discussions ongoing with *Paris certification de clés PGP et CAcert*, could be interesting to merge the events

- Presented by Badri Badr (DevOps engineer @ ?)
- Overview of the DNS system
- Useful notions of cryptography
- Use cases of DNSSEC

20:30 — KEEPING YOUR SECRETS (IN A) SAFE

- Presented by Dimitri Merejkowsky (SCRUM Master @ *tanker.io*)
- They have a safe in their offices to keep their secrets, like signature private certificates, SSH keys and so on.
- He will explain why the safe is mostly always opened during office hours. (*Spoiler: it has to do with the fact that we are humans*)

:-)
